Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Acadiana Legal Service Corporation (a nonprofit organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Acadiana Legal Service Corporation as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Acadiana Legal Service Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Acadiana Legal Service Corporation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Acadiana Legal Service Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Acadiana Legal Service Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedules of Support, Revenue, and Expenses; Schedule of Compensation, Benefits, and Other Payments to Executive Director; Justice System Funding Schedule – Receiving Entity; Schedule of LSC Funding Passed-through to Sub-recipients; Schedule of LSC Excess Carryover Balance; and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are also presented for purposes of additional analysis and are not a required part of the financial statements.

The Schedules of Support, Revenue, and Expenses, Schedule of Compensation, Benefits, and Other Payments to Executive Director, Justice System Funding Schedule – Receiving Entity, and schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedules of Support, Revenue, and Expenses, Schedule of Compensation, Benefits, and Other Payments to Executive Director, Justice System Funding Schedule – Receiving Entity, and schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

The Schedule of LSC Funding Passed-through to Sub-recipients and the Schedule of LSC Excess Carryover Balance have not been subjected to the auditing procedures applied in the audit of the financial statements, and, accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 27, 2023, on our consideration of Acadiana Legal Service Corporation’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Acadiana Legal Service Corporation’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Acadiana Legal Service Corporation’s internal control over financial reporting and compliance.

ACADIANA LEGAL SERVICE CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Operations

Acadiana Legal Service Corporation (the Corporation), incorporated in 1978, is a non-profit organization that fights to make hope, dignity, and justice available primarily to low-income, disadvantaged, and other eligible residents through high quality and aggressive civil legal assistance and education. The Corporation is funded primarily by the Legal Services Corporation (LSC), a non-profit corporation, established by Congress to administer a nationwide legal assistance program and the Louisiana Bar Foundation, a non-profit 501(c)(3) entity organized under the State of Louisiana and the largest funder of civil legal aid in the state.

The Corporation provides free, specialized, civil legal services to low-income individuals and families across 42 Louisiana parishes. The Corporation works every day to assist domestic violence victims, stands for the rights of abused and neglected children, helps preserve housing for hard-working families, prevents homelessness for people with disabilities and veterans, helps protect elderly consumers, removes barriers to health care, and much more.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and the requirements of the Legal Services Corporation Accounting Guide.

Basis of Presentation

Net assets, revenues, and expenses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Corporation and changes therein are classified and reported as follows:

- a) *Net assets without donor restrictions* – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. Revenues are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in net assets without donor restrictions.
- b) *Net assets with donor restrictions* – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulated that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

ACADIANA LEGAL SERVICE CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Cash and Cash Equivalents

For financial statement purposes, the Corporation considers all highly-liquid investments purchased with a maturity of three months or less to be cash equivalents.

Client Trust Escrow Funds

Funds received from clients are deposited into separate cash accounts and restricted for the payment of expenses in connection with related litigation.

Property and Equipment

Property and equipment are recorded at cost. Depreciation of property and equipment is based upon the estimated useful service lives, which range from 1 to 39 years, using the straight-line method. Maintenance and repairs are charged to expense, while additions and improvements are capitalized. Property acquisitions of non-expendable items with a value in excess of \$5,000 and a useful life of more than one year are capitalized and depreciated. Any purchases below this threshold are expensed.

Property and equipment acquired with Legal Services Corporation funds are considered to be owned by Acadiana Legal Service Corporation while used in the program or future authorized programs. However, Legal Services Corporation has a reversionary interest in those assets and has a right to determine the use of any proceeds from the sales of assets purchased with its funds. Legal Services Corporation has a reversionary interest in all assets of the Corporation.

Revenue and Support

The Corporation receives as revenue and support grant revenues which management has determined are contributions. The Corporation recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. Once the condition is met, contributions are recorded as increases in net assets without donor restrictions or increases in net assets with donor restrictions, depending on the existence and/or nature of any donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions, and reported in the statement of activities as net assets released from donor restrictions. Contributions received with donor-imposed conditions and restrictions that are met in the same reporting period are reported as support without donor restrictions and increase net assets without donor restrictions.

ACADIANA LEGAL SERVICE CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Attorney's Fees

Attorney's fees received are recorded during the accounting period in which the money from the fee award is actually received by the Corporation and is expended for any purpose permitted by the Legal Services Corporation Act.

Allocation of Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the statements of activities and the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses which are directly associated with legal services or supportive services are charged directly to that functional area. Office rent and utilities expenses have been allocated based upon the square footage allocated to supportive services. All other expenses have been allocated to legal services or supportive services based on administrative time devoted by the Corporation staff.

Donated Services and Assets

Donated services are legal services rendered at no charge to the Corporation. The value of donated services is based upon estimated fees normally charged by the professional rendering the service.

Donated services are recognized both as support and expenses and, therefore, do not affect net assets. Donated services amounted to \$-0- and \$5,281 for the years ended December 31, 2022 and 2021, respectively.

Donated land, buildings, and furniture and equipment are recorded at their fair value at the date of donation. These donations are either expensed or capitalized. The Corporation's policy related to such donations is to utilize the assets to carry out the mission of the Corporation.

Income Taxes

The Corporation is exempt from federal tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Corporation has been classified as an organization that is not a private foundation under Section 509(a)(2). Accordingly, no provision for income taxes has been made. However, if the Corporation were to engage in activities unrelated to the purpose for which it was created, taxable income could result. In management's judgment, the Corporation does not have any tax positions that would result in a loss contingency considering the facts, circumstances, and information available at the reporting date.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising

The Corporation expenses the cost of advertising as incurred. Total advertising expenses for the years ended December 31, 2022 and 2021, were \$66,399 and \$12,292, respectively.

New Accounting Pronouncement

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases* (Topic 842) which supersedes existing guidance. This new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Leases are classified as either finance or operating, with classification affecting the pattern of expense recognition in the statement of activities. Most prominent among the changes in the standard is the recognition of right-of-use assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The Corporation adopted the requirements of ASU 2016-02 effective January 1, 2022, and has elected to apply the provisions of this standard to the beginning of the period of adoption. The Corporation has elected to adopt the package of practical expedients available in the year of adoption. As of the date of adoption, a cumulative-effect adjustment was not necessary as the standard had no impact on the classification of any of the Corporation's leases as of January 1, 2022. See below and Note 6 to the financial statements for additional information related to the Corporation's leases.

Leases

The Corporation leases certain office space, equipment, and storage space. The Corporation determines if an agreement is a lease or contains a lease at the agreement's inception. Under Accounting Standards Codification 842, an agreement is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from the use of the asset and the right to direct the use of the asset. The Corporation only reassesses its determination if the terms and conditions of the contract are changed.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Leases (Continued)

Short-term leases, or leases with a term of twelve months or less, that do not contain a purchase option that is reasonably certain to be exercised, are expensed and not capitalized. Operating leases are included in operating lease right-of-use assets and operating lease right-of-use liabilities in the statement of financial position.

Right-of-use assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the obligation to make lease payments. Operating lease right-of-use assets and the corresponding lease liabilities are recorded at the commencement date based on the present value of lease payments over the expected lease term. The Corporation uses the risk free borrowing rate (U.S. Treasury Rate), available at lease commencement, to calculate the present value of the lease payments for its operating leases, unless there is a rate implicit in the lease. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The lease term for accounting purposes may include options to extend or terminate the lease when it is reasonably certain that the Corporation will exercise the option.

Leases with a total contract value (the gross (undiscounted) aggregate value of fixed and fixed-in-substance cash flows over the term of the lease, including reasonable certain renewal periods) of \$5,000 or more are evaluated for lease reporting under the lease standard. Leases with a total contract value under \$5,000 are recorded in the same manner as a short-term lease with rent payments recorded as expense in the statement of activities as those payments are due based upon the terms of the lease.

2. CASH, CASH EQUIVALENTS, AND RESTRICTED CASH:

At December 31, 2022 and 2021, the Corporation had cash, cash equivalents, and restricted cash (book balances) totaling \$2,393,684 and \$2,378,385, consisting primarily of demand deposit and money market accounts at several financial institutions. These deposits were stated at cost, which approximates market.

Accounts are insured by Federal Deposit Insurance Corporation (FDIC) or the National Credit Union Insurance Fund (NCUSIF) up to \$250,000. All of the Corporation's cash balances were insured by the FDIC, NCUSIF, or letters of credit at December 31, 2022 and 2021. ACADIANA LEGAL SERVICE CORPORATION
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

5. DONATED PROPERTY AND EQUIPMENT:

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as increases in net assets with donor restrictions. It is the Corporation's policy to imply a time restriction, based on the assets' estimated useful lives, on donations of property and equipment that are not restricted as to their use by the donor. Accordingly, those donations are recorded as increases in net assets with donor restrictions. The Corporation reclassifies net assets with donor restrictions to net assets without donor restrictions each year for the amount of depreciation expense relating to the donated property and equipment.

During the years ended December 31, 2022 and 2021, the Corporation received no donations for which capitalization was necessary. Donated furniture and equipment, for which capitalization was not necessary, amounted to \$3,495 and \$-0- for the years ended December 31, 2022 and 2021, respectively.

6. LEASES:

During the year ended December 31, 2022, the Corporation entered into a lease agreement for a postage meter. The agreement is considered to be a long-term operating lease agreement applicable under ASU 2016-02, *Leases* (Topic 842). The lease commenced on March 30, 2022, and terminates on March 30, 2027, with monthly expenses of \$106. There are no variable lease payments under this lease, and the Corporation does not have any right to extend or terminate the lease. At the end of the lease, the Corporation may enter into a new lease or return the postage meter. This lease agreement did not specify an explicit interest rate; therefore, the Corporation used the risk-free rate of 1.23% (U.S. Treasury Rate) that was available on the date on which the agreement was signed to calculate the right-of-use asset and lease liability. Upon commencement of the lease, the right-of-use asset and lease liability were \$6,152 and \$6,152, respectively.

The following summarizes the line items in the statement of financial position for the operating leases as of December 31, 2022:

8. COMPENSATED ANNUAL LEAVE:

An employee commences to earn and accrue annual leave with pay from the first day of employment. Accrual rates and carryover balances are based on the length of employment. Employees with less than three years of service are allowed to carryover a maximum of 150 hours of accrued annual leave, respectively. Employees with more than three years of service are allowed to carryover a maximum of 225 hours of accrued annual leave, respectively. If accrued annual leave above 150 hours or 225 hours, respectively, is not taken by the end of the calendar year, the amounts exceeding the limit will be forfeited. For the year ended December 31, 2021, the Corporation, in response to the coronavirus pandemic and its employees' inability to take vacations, scheduled trips, or extended time off during the pandemic, increased the maximum carryover limit of annual leave from 150 hours to 200 hours or 225 hours to 275 hours, depending on an employee's length of employment.

Upon termination of employment, the employee will be paid any accrued and unused annual leave. Accrued compensatory time and sick time will not be paid upon termination. The Corporation has accrued \$311,895 and \$355,357 in compensated annual leave at December 31, 2022 and 2021, respectively.

Eligible employees can redeem their unused, accrued annual leave based on the Corporation's annual leave redemption policy. The policy allows employees to redeem up to 37.5 hours of their unused, accrued annual leave. To be eligible for the redemption, employees must have at least 75 hours remaining after redemption and must have taken a scheduled vacation/annual leave for five consecutive days prior to the redemption. Compensation for the annual leave redeemed is at the employee's current hourly rate. The annual leave redemption policy will be applicable as long as funding is available. During the year ended December 31, 2021, the Corporation, in response to the coronavirus pandemic and its employees' inability to take vacations, scheduled trips, or extended time off during the pandemic, made the following changes to its annual leave redemption policy: (1) waived the requirement that employees use five consecutive days of annual leave before being eligible to redeem annual leave hours; and (2) increased the number of hours for redemption of annual leave from 37.5 hours to 60.0 hours. The modifications were not extended through to the year ended December 31, 2022. 9. REVENUE AND SUPPORT:

The Corporation’s revenue that is derived from cost-reimbursable federal and state contracts and grants, which are conditional upon certain performance requirements and/or the incurrence of allowable qualifying expenses, is recognized when the Corporation has incurred expenditures in compliance with specific contract or grant provisions. In accordance with normal Legal Services Corporation and Louisiana Bar Foundation policies, the Corporation may use unspent funds in future periods as long as expenses incurred are in compliance with specified terms of the grant.

The Corporation receives “one-time” grants from Legal Services Corporation to support a specific event or project. The Legal Services Corporation limits the federal Legal Services Corporation (LSC) carryover to 10% of the annualized grant award. Any excess carryover must be returned to the Legal Services Corporation. This percentage may be increased to 25% if a waiver of the restriction is submitted and approved. Recipients may request a waiver to retain funds in excess of 25% of a recipient's LSC support only for extraordinary and compelling circumstances, such as when a natural disaster or other catastrophic event prevents the timely expenditure of LSC funds, or when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, a payment from a lawsuit in which the recipient was a party, or a payment from an LSC-funded lawsuit, regardless of whether the recipient was a party to the lawsuit.

DECEMBER 31, 2022 AND 2021

13. PRIVATE ATTORNEY INVOLVEMENT (PAI): (Continued)

For the year ended December 31, 2021, Acadiana Legal Service Corporation’s Private Attorney Involvement was approximately 10.86% of its annualized LSC Basic Field Award, which is below the required 12.5% threshold. The Corporation’s inability to meet the 12.5% threshold was due to issues partnering with local bars and law schools because of their locations being outside of the Corporation’s service area and the ongoing coronavirus (COVID-19) pandemic. The Office of Compliance and Enforcement of Legal Services Corporation granted the Corporation a partial waiver of \$137,226 to reduce its PAI expenditure requirement to \$382,351 for the year ended December 31, 2021.

14. RETIREMENT PLAN:

The Corporation adopted a 403(b) retirement plan (the Plan) effective January 1, 1995. The Plan was amended and restated effective January 1, 2009. The Plan allows for employee elective deferrals and employer matching contributions. Employees are eligible to make elective deferrals to the Plan on their hire date, if their normal work hours are greater than 20 hours per week. Employees are considered eligible for employer matching contributions upon completing two years of eligible service. One year of eligible service consists of 1,000 hours. The Corporation shall determine, at its sole discretion, the amount of employer contributions to be made to the Plan. The employer match was 5% for the period January 1, 2021 – March 31, 2021. Effective April 1, 2021 the employer match was increased to 10%. The employer match for the year ended December 31, 2022 was 10%.

The Corporation’s matching contributions for the years ended December 31, 2022 and 2021, were \$250,413 and \$194,443, respectively.

19. ECONOMIC DEPENDENCY:

Approximately 94% of the Corporation's funding is provided through grants administered by the Legal Services Corporation and the Louisiana Bar Foundation. If significant budget cuts are incurred by either of the aforementioned grantors, the amount of funds received by the Corporation could be significantly reduced and adversely affect the Corporation's operations. Management is not aware of any actions that will adversely affect the amount of funding to be received by the Corporation in the next fiscal year.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

April 27, 2023

Board of Directors
Acadiana Legal Service Corporation
Lafayette, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Acadiana Legal Service Corporation (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 27, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Acadiana Legal Service Corporation's (the Corporation) internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

April 27, 2023

Board of Directors
Acadiana Legal Service Corporation
Lafayette, Louisiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Acadiana Legal Service Corporation's (the Corporation) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the Legal Services Corporation Audit Guide and Compliance Supplement (the Audit Guide) that could have a direct and material effect on each of the Corporation's major federal programs for the year ended December 31, 2022. The Corporation's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the Legal Services Corporation Audit Guide and Compliance Supplement (the Audit Guide). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Corporation's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Corporation's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Corporation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Audit Guide will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Corporation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and the Audit Guide, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Corporation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- Obtain an understanding of the Corporation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and the Audit Guide, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the Audit Guide. Accordingly, this report is not suitable for any other purpose.
